

CHAIRMAN'S CHAT

Welcome to 2021 in the hopes of restarting our group activities. I am in touch with the Secretary of the Jubilee Club who will notify me as to when we expect to have our room ready as a starting point, without the facilities we won't be able to open. Then of course if everyone who wants one has had their vaccination we might be able to carry on. It is a bit difficult to predict when this will be as I know that most of you want to rejoin.

If any member is reading this who would like to contribute their thoughts then please do so. The main starting point is to reform the committee and with just a few of us we will definitely need some help in order to keep up the standard we have achieved over the last 14 years (not counting this last one).

All the cancelled speakers have been moved over to this year's programme bar one. We will have a programme prepared and any other paperwork deemed necessary. You will also receive a copy of a Tribute to Deryck Morley.

Keep Safe

Kind regards John (Chair)
