

MESSAGE FROM YOUR CHAIRMAN

I am now feeling positive about getting back to normal in 2021 round about the Spring, possibly the March meeting if all goes according to plan, the Government plan that is, whatever that may be. We cannot forecast anything at this moment in time, and of course we are depending on the reopening of the Jubilee Club Concert Room where we can move around and meet socially.

Our speakers of course will be another consideration as most of them come from other areas, but I believe they will be as keen as us to restart.

If anyone has changed address or 'phone number during this time will you please let me know as all of you be receiving a personal 'phone call when we are to reconvene.

Have a lovely Christmas in your Social Bubbles and keep safe. Both Linda and I wish you all a Merry Christmas and a fantastic New Year.

John Crosby
